1. MS on good practices on AKIS coordination

- In the CAP strategic plans there is also a task for the AKIS coordination body
 1. Is in your MS/AS the AKIS coordination body in function? If yes, how is the AKIS coordination body organized? If not, what are the plans?
 2. What are first activities of the coordination body?

MS on good practices on AKIS coordination

- Can you give some good practices in your country on AKIS coordination? (e.g., in relation to governance, meetings, digital tools, communication (websites, etc.), networking activities, legal obligations (subsidies connected to effort on AKIS network))
- What works well and what does not work? (first lessons learned)

2. Presentation from MS/AS on strengthening advisory services and training of advisors

- Can you give some good examples of activities to strengthen advisory services and training of advisors? What worked well?

Presentation from MS/AS on strengthening advisory services and training of advisors

- Which problems did you encounter in strengthening advisory services and training of advisors ?
- What could be done to overcome these problems?

3. Any further comments/suggestions?
